Organizational Chart

INSTITUTIONAL GOVERNANCE

A flexible governance mechanism allows the institution to make significant strides towards the realization of its goals. Governance is based on the themes of:

➤ **Autonomy and oversight**

Each school and administrative function sets their own individual strategies along with the Vice Chancellor of the institution. Along with the strategy, a set of targets and boundary conditions are prescribed against which the progress towards realization of the strategy is measured.

➤ **Synergy between academia and administration**

Administrative and administrative tracks are kept separate since the people requirements of individuals in the two tracks are different. Shared services (HR, finance, payroll management, estate management, international relations, etc.) centres are established and operated that service all the faculties.

➤ **Transparency and accountability**

Transparency is present at two levels – institution to external stakeholders and within the institution. For external stakeholders, annual reports, research publications, academic and process reports are published. Internally, a 360 degree feedback process along with recourse for appraisals is present. To ensure accountability, targets are set every year during the strategy decision phase, against which each function is measured.

➤ **External advisory**

Statutory academic bodies like Board of Management, Academic Council and Boards of Studies are represented by external members from academia and industry who provide useful inputs which are incorporated into the system.

➤ **Faculty input**

All the statutory bodies of the institute have faculty members representation as mandated by the UGC regulations. The apex governing body is **Board of Management** and its key functions are:

- To establish, on the advice of academic council, divisions and departments for the academic work and functions of the Institute and to allocate area of study, teaching and research to them.
- To create teaching and academic posts, to determine number, cadres and qualifications there of as approved by the Commission, statutory body concerned and the emoluments of such posts in consultation with the Finance Committee.
- To approve the award of Degrees and diplomas based on the results of examinations and tests and to confer, grant or award Degrees, Diplomas, Certificates and other academic titles and distinctions:
- To transfer or accept transfers of any movable or immovable property on behalf of the Institute:
- To manage regulate, and administer the revenue, the Finance, accounts, investments, properties, business and all other administrative affairs of the Institute and for that the purpose to appoint such agent or agents as it may deem fit.

➤ **Academic Council**

The Academic Council shall be the principal academic body of the Institute and shall, subject to the provisions of the rules, have the control over and be responsible for the maintenance of standards of teaching, research and training, approval of syllabi, coordination of the research activities, examinations and tests within the institute and shall exercise such powers and perform such other duties and functions as may be prescribed or conferred upon it by the Rules of the Institution

➤ **Research Advisory Committee**

The committee advises the institute on matters related to research, patents and innovations carried out by the faculty/students. It also prepares the budget for research and get the same approved by finance committee and board of management.

➤ **Planning and Monitoring Board**

The Planning & Monitoring Board shall be the principal Planning Body of the Institute and shall be responsible for the monitoring of the development programmes of the Institute. It has the right to advise the Board of Management the Academic Council or any matter which it considers necessary for the fulfillment of the objectives of the Institute.

➤ **Finance Committee**

To consider the annual accounts and financial estimates of the Institute and submit them to the Board of Management for approval and recommend the annual budget and revised estimates to the Board of Management.

GRIEVANCE REDRESSAL MECHANISM

➤ **National Digital Library (NDL) subscription details**

SRM Institute of Management and Technology is the member of National Digital Library of India (NDLI). NDLI is a virtual repository of learning resources which is not just a repository with search/browse facilities but provides a host of services for the learner community. It is sponsored and mentored by Ministry of Education, Government of India, through its National Mission on Education through Information and Communication Technology (NMEICT). Filtered and federated searching is employed to facilitate focused searching so that learners can find the right resource with least effort and in minimum time. NDLI provides user group-specific services such as Examination Preparatory for School and College students and job aspirants. Services for Researchers and general learners are also provided. NDLI is designed to hold content of any language and provides interface support for 10 most widely used

Indian languages. It is built to provide support for all academic levels including researchers and life-long learners, all disciplines, all popular forms of access devices and differently-abled learners. It is designed to enable people to learn and prepare from best practices from all over the world and to facilitate researchers to perform inter-linked exploration from multiple sources. It is developed, operated and maintained from Indian Institute of Technology Kharagpur.

➤ **Games & Sports Facilities:**

- Students are provided with all the support, training, equipments and facilities to represent SRM IST Delhi NCR campus in various inter-college competitions or intra-club (SRM IST student leagues) league activities. The outdoor sports facilities at SRM IST Delhi NCR campus include, a cricket ground, football ground, basketball Court, volleyball Court and a large open space for track and field sports activities for our -athletes.
- In addition to this, there are a number of indoor sports facilities like chess, carom, Badminton and table tennis etc. which are quite favorites of students. Indoor facilities also include a fully air-conditioned gymnasium equipped with almost all the advanced exercising equipments.

➤ Cafeteria

➤ Soft Skill Development Facilities

- **Time Management Training:** Businesses look for any opportunity to boost workforce productivity. Time Management classes gives the soft skills to take responsibility for your own time, teaching you how to manage time more efficiently, create effective to-do lists, sharpen your focus, and more.
- **Interpersonal Skills Training:** This collection of courses gets to the heart of what it means to be a great teammate and co-worker. Learn the basics of interpersonal communication, how to manage projects and their stakeholders, the keys to success in administrative roles, and more.

- **Public Speaking Classes:** Communication is possibly the most important soft skill for employees. And while many can get by with written communication, public speaking is a widespread fear. This set of courses can help any individual overcome fear of public speaking, communicate with confidence in all settings, stay on point during presentations, and more.

➤ **Computing Facilities**

- Internet Bandwidth – 3460 Mbps
- Number and configuration of System - 1200 NoS
- Total number of systems connected by LAN/WAN - 1200 NoS
- Number of Legal Application Software - 60
- Number of Printers – 90

18. BEST PRACTICES

➤ INSTITUTIONAL VALUES AND BEST PRACTICES

- Gender equity programs
- Energy conservation by use of LED lights
- Rainwater harvesting
- Solid-waste, food waste management
- Sewage treatment plant
- Ban on plastic bags
- Friendly campus for physically challenged students
- Adopted Sikri Kalan village for NSS
- Courses on human values/ethics/environment consciousness
- Social awareness activities and celebration of national days

➤ BEST PRACTICES

- Semester Abroad Program
- Lectures by renowned Academicians and Industry experts
- Personality Development Courses/Foreign Language Courses
- Industrial Training program
- Comprehension courses for enhancing employability
- Compensatory courses for slow learners
- Corporate/ Industrial Advisory Boards
- Student scholarships

➤ Students Counseling/ Mentoring

a. One on One Counseling

For every 30 students or less a faculty mentor is assigned who takes care of the interests of the students in every way. A few of the areas where mentoring is done include:

- Guiding the students in selecting the courses under choice-based curriculum
- Regular attendance
- Choosing electives
- Career counseling
- Helping students in the courses where they are weak by arranging compensatory courses
- Students with psychological problems are referred to institute counselor.

Faculty counselors also form WhatsApp groups to be in touch with students and redress their grievances.

Once in 15-20 days formal counseling sessions are announced the counselor has face to face meeting with the students in groups as well as one on one basis.

The counselors also keep all the academic records of the students allotted to them and they routinely inform the parents about their wards' progress and whenever necessary parents of the wards are called to the institute to resolve any contentious issues associated with the students.

b. General Counseling

Mentoring of students is done in a systematic manner right from the day the students join the institute. During the first week after admission, the students are collectively mentored on the following areas.

- Curriculum and Flexible Credit Based System
- Research at SRM and Challenges
- Innovation and Incubation at SRM
- Science of Well being
- Examinations and Systems
- Know your brain. Use it or lose it
- Career Development & Placement
- Patriots for life
- Physical Fitness & Yoga
- Law and Society
- Antiragging & Antidrug Awareness
- SWAYAM – Smart Education Initiative
- Swachh Bharat Abhiyan& NSS
- These mentoring sessions are addressed by eminent internal and external speakers. The outcome of these sessions is that students get positively oriented towards their studies at the outset itself thus reducing the chances of a few of them going astray.

c. Course Committee Meetings

Three times in a semester course committee meetings are conducted to discuss the syllabus coverage, quality of teaching based on the feedback by students, performance of students in internal tests and any other grievance related to institutional support facilities like class room ambience, wi-fi etc.

d. HoD Hour

In the time table, a specific hour is earmarked in which the HoD or a senior faculty member visits a class and has freewheeling discussion with the students on course contents, career, industry and aspects of lifelong learning.

e. Open House

Once in a semester all the class representatives attend open house session chaired by Vice Chancellor, Pro Vice Chancellor, senior administrators and HoDs. Students are mentored on their career options, higher studies, entrepreneurship, start-ups. Students also utilize this opportunity to offer suggestions on any improvements that may be made on systems and processes.

➤ Students Activity Body

SRM IMT believes in and actively promotes the hobbies and areas of interest of its students. SRM IMT supports all the exciting ideas and efforts for overall development of the student community above and beyond the confines of the curriculum. To this effect student clubs and societies provide every student an opportunity to explore their secondary passions to collaborate and learn as part of a community bound together by shared interests.

SRM Cultural Club: The club aims to promote exposure and to increase the awareness of the students towards the finer arts of the world. From dramatics to fashion to literature, from poetry to music and dance, this is the place to come and experience it all. The club also acts as a forum to improve one's communication skills, expressivity and critical thinking power.

Dance Club: SRM Dance Club is a symbol of aesthetics and grace encouraging the dancers from the various states of India to come together and share their passions in dance. The club also provides a platform to the students in the form of cultural events to showcase their skills with the mission of encouraging budding cultural talent. We develop and promote cultural teams that can take part in various inter and intra - college cultural events.

Music Club: This is a confluence of the musicians from the various states of India to come together and share their passions in instrumental and vocal music. We believe that each individual has something to offer and through mentorships, jams, competitions and events we strive to polish skills, share knowledge and spread musical joy.

Fashion Club: The Fashion Club at SRM IST Delhi NCR Campus help its members grow, develop and express themselves in a mutual love for fashion. It provides a place for students to express artistic freedom in the fashion world.

SRM Dramatics Club: This is a platform for all nukkad natak enthusiasts and theatre lovers to learn, explore, manage, and perform the beautiful art of stage play.

SRM Literary Club: This provides a platform for the students to write, discuss, and hold debates to stimulate their brains in the literary arts.

SRM Yoga Club: It is an inclusive group that focuses on providing a safe and light-hearted space for students to de-stress and empower themselves through the practice of yoga. The Yoga Club holds daily classes that are taught by certified yoga instructors and is open to all students.

SRM MUN: The MUN society of SRM IST Delhi NCR campus focuses on competing at various MUNs as well as organizing the SRM-MUN every year. The entire team is determined to achieve the goals of MUN and our team has also won at various events and conferences.

SRM NSS Wing: The NSS wing works to develop a socially and environmentally conscious student community that offers its services towards the betterment of the nation.

SRM Entrepreneurship Cell: The entrepreneur cell most commonly (but not exclusively) is made up of business students who meet up to discuss various entrepreneurship topics. Subjects covered may include how to run a successful startup, how to hire the best employees and other current issues that are encountered by budding entrepreneurs.

SRM Technical Club: The Technical Club of SRM IST Delhi NCR Campus provides a common platform to the students with an aim of bracing them technically, by amalgamating their Interdisciplinary Technical skills. The club involves students from all the branches, who yearn for learning and sharing in various fields of Engineering & technology.

SRM Motor Sports: The motorsports club provides an exhilarating experience to the students who utilize their skills to design and drive self-made vehicles.

SRM TEDx Club: This club conducts the TED Lectures that explore current affairs and innovative ideas of the students.

SRM Educational Societies

We have two government-recognized educational societies and one international student chapter.

The Indian Society for Technical Education (ISTE): The ISTE is a leading national professional non-profit society that supports technical education systems with enhanced focus on the career and personality development of our students.

Computer Society of India (CSI): The CSI is an advancement of the theory and practical knowledge of our computer science and IT aspirants.

IEEE Student Branch/Chapter: IEEE Student Branches provide an opportunity for IEEE Student members to begin networking in their areas of interest and future profession. We are having an active IEEE branch- STB08411 - SRM Institute of Science and Tech, NCR Campus.
